NAMPA MAN ARRESTED FOR PRODUCTION OF CHILD PORNOGRAPHY

Robert William Hull, 35, of Nampa, Idaho, was arrested yesterday on charges of production and transportation of sexually explicit images of minors, the U.S. Attorney's Office announced. The images were found when a federal search warrant was executed at a Nampa residence where Hull was living. According to a criminal complaint filed in federal court, Hull allegedly victimized a four-year-old female to produce the child pornography images.

The case was investigated by the Idaho Internet Crimes Against Children Task Force Program (ICAC) and U.S. Immigration and Customs Enforcement Homeland Security Investigations.

A complaint is only an allegation of criminal conduct and is not evidence of guilt. A person is presumed innocent until and unless proven guilty beyond a reasonable doubt.
